EDUCATION

Bentley University, Waltham, MA

Expected Graduation: Spring 2027

Candidate for Bachelor of Science, FinTech

Minors in Professional Sales, Psychology, and Business Administration

PROFESSIONAL SUMMARY

Business Development Representative with a record of top performance in B2B SaaS sales, generating \$500K+ in pipeline and booking meetings at 200% of full-time BDR quota. Experienced in outbound prospecting, lead qualification, and high-volume cold calling, with a foundation in consultative B2C sales. Motivated by learning from high performers and growing into a closing role.

WORK EXPERIENCE

Litmos, Remote

Business Development Representative (Part-Time)

September 2026 – Present

- Invited back for the academic year to continue generating pipeline for Account Executives while supporting the partnerships team

Sales Intern

June 2026 – August 2026

- Generated \$500K+ in sales pipeline, ranking #1 on the sales team from July to August
- Booked 20+ meetings for Account Executives, achieving 200% of the quota set for full-time BDRs
- Advanced 100% of assigned qualification meetings to a follow-up meeting with an Account Executive
- Spearheaded outbound prospecting in the SMB segment, making up to 150 cold calls per day and sharing market feedback with leadership

Wehbi Retail Group, Family-Owned Multi-Unit Business, Aalman El Chouf, Lebanon

Sales & Strategy Intern

May 2025 – August 2025

- Supported operations across three retail units, serving 500+ customers and supporting sales outcomes
- Analyzed sales data to optimize layout and restocking, increasing margin product turnover by 15%
- Built an Excel tracker to streamline vendor orders, reduce overstock, and improve delivery timing
- Proposed changes to checkout flow that reduced wait times and improved peak-hour service

Nucar Chevrolet of Lowell, Lowell, MA

Sales & Lease Representative

September 2024 – December 2024

- Sold 20+ vehicles/month while managing 100+ clients across walk-ins, web leads, and follow-ups
- Achieved 30–35% walk-in close rate by tailoring financing options to customer profiles
- Coordinated with finance and service teams to streamline deal flow and post-sale support
- Optimized CRM workflows to improve lead tracking, follow-ups, and deal visibility
